This year's Helping Hands Across America campaign will kick off on October 17th at 12:30 pm in the Campus Center dining hall, and will run through November 11th. Last year we collected a total of 16,201 pounds of non-perishable food, and this year our goal is to collect 20,000 pounds. Donations will be accepted at all 6 dining locations, or at www.rollins.edu/osil/helpinghands.

100% of the money raised will go to purchase the non-perishable food you'll see displayed in the dining hall. The food will be donated to the **Second Harvest Food Bank of Central Florida** and distributed right here in our own community to those less fortunate. With your support again this year

we know that we can reach, or even exceed, our goal of 20,000 pounds! We appreciate your continued support.
